## **CDMS Awarded Contract to Support FEMA**

**Harrisburg, PA, October 5, 2010:**

CDMS announced today that it has been awarded a contract to support the Federal Emergency Management Agency (FEMA) with management and Information Technology (IT) consulting services. This is a five year indefinite delivery/indefinite quantity (IDIQ) Systems Engineering and Technical Assistance (SETA) contract with a total ceiling of \$290 million. CDMS teaming with eGlobalTech and other world-class partners, each of whom offers specific subject matter expertise related to FEMA's mission and IT operations.

**About CDMS, Inc. ([www.cdmspa.com](http://www.cdmspa.com)):**

CDMS, Inc., established in 1987, is an award-winning provider of business process solutions, specializing in Document Management Solutions. CDMS's solutions allow customers to take advantage of technologies such as imaging, ERM (Enterprise Resource Management) / COLD (Computer Output to Laser Disk), workflow, and web-based e-business applications to streamline high-volume business processes in a consistent, repeatable manner. CDMS has developed and integrated client/server applications that interface to multiple platforms for Enterprise Resource Planning (ERP).
