i2400 Scanner

Tame your to-do list

Add a Smart Touch to your office.

Take a moment to think about those multiple-step scanning operations that are done again and again, day after day. Scanning, editing, naming, choosing a file format – it's so repetitive. Now imagine the time and money you could save by doing all that at the press of a button. That's what Kodak's Smart Touch functionality is all about.

The **Kodak** i2400 Scanner with built-in Smart Touch functionality lets you capture, manage, process, and deliver PDFs and other file formats – automating processes that previously were time-consuming.

Support your business process by scanning and sending documents such as purchase orders, invoices, applications, checks and many more at a touch of a button directly to a predefined application. SmartTouch supports a variety of destinations, including **Microsoft Word**, **SharePoint**, Folders, Email or Print – no training or programming required. Make your work easier, faster, and smarter with Kodak's Smart Touch functionality.

More ways to get business done.

More productivity, more imaging power – Dual LED illumination gets you started faster by eliminating lamp warmup time to provide immediate response, plus image clarity, consistency, and colour stability.

More versatility – Our extendable, self-storing output tray and flexible paper handling will take care of just about anything you want to scan – small documents or large, thick or thin, ID cards, even embossed hard cards.

More reliability – The highly reliable 50-sheet feeder and integrated paper tray make it easy to get scanning done.

More possibilities – Conveniently scan exception documents with the optional Kodak A4 Flatbed Accessory, which connects or detaches in seconds via USB connectivity.

More peace of mind – Our three-year limited warranty supports the Kodak commitment to quality and value.
